

Quick Note from 3A

Dear Parents,

Another year has begun and I know many of you have concerns about what "school" will look like this year due to the various health protocols that are being proposed. However, it was simply wonderful to see all the excited children entering the room as they reconnected with their friends from last year and welcomed Tessa and Ethan to Calvin Christian School for the first time. The students also renewed friendships with Carlos who has returned to Calvin this year after spending the last 2 years on a family mission trip.

FYI...

I will be sending a note home by email every Friday in order to keep you informed about the events taking place in the upcoming week. However, if you would prefer to have a hard copy of the newsletter just let me know and I'll be sure to send one home each week with your child.

There is also a classroom website that will be up and running soon. Stay tuned for more details:)

Please feel free to call/email or meet with me to discuss any concerns or questions you may have throughout the year. My email address is steve@calvinchristian.mb.ca For those of you I have not met already, I

look forward to meeting and working with each of you in the coming year.

In Grade 3, students will be given some homework and students will be asked to study for all tests. A review sheet will always be sent home at least two nights before the test. All homework will be recorded in your child's homework books. Homework books, (or agendas) are new to students entering Grade 3. **I would ask that you initial your child's homework book showing me that you have seen it and the necessary homework was completed.** Furthermore, please feel free to use your child's homework book for informing me about upcoming appointments, trips or questions you may have.

I pray that together we can make this a wonderful year for your child. I welcome your prayers for our class and the entire school. Attached is a prayer that you may want to use as you pray for your child. May we be an example of God's love as we strive to follow Him!

In His service,

S. Boschmann
