To the tremendous parents of the 3A class:

It has been a privilege and honour to have been your child's teacher! Thank you for all your support throughout the year as we worked together to help your child to grow closer to God and hopefully opened their eyes to be in awe of God's incredible creation. I had so much fun getting to know your child as well as having the opportunity to get to know all of you better.

I pray you all will have a safe and enjoyable summer. I look forward to seeing you all again in the fall.

**Donwood Manor Personal Care Home Visit:** Today the students had the opportunity to play games with some of the residents at Donwood Manor. This was a service experience that we have been trying to set up for quite some time, so it was exciting that we finally had the chance to go for a visit.

**Seesaw:** As you know, this was a busy week full of special events. A field trip to BHP on Tuesday, Field Day on Wednesday and visiting Donwood Manor today...be sure to log into Seesaw to check out the photos/videos that have been posted if you wish to have a glimpse of the excitement!

**Pizza Lunch:** You may have heard that as a conclusion to our Charlotte's Web novel study we plan to celebrate by watching the Charlotte's Web movie on **Tuesday, June 25**.

Mr. Allan and I also plan to use the leftover Grade 3 field trip funds to treat the students to a pizza lunch on that day so that we can have a "County Fair" lunch experience. Each student will be given 2 slices of pizza, popcorn and a beverage.
